We hereby declare that our product:

DEUBLIN Rotating Union

does not apply to Article 1 and Article 2, paragraph 1 of this Directive.

The statement of the Directive is clearly defined under Article 3, paragraph 1 and 2 of the electrical and electronic equipment (EEE). The **DEUBLIN** Rotating Union is a purely mechanical device and does not apply to the RoHS EU Directive. Furthermore, all covered categories of the EEE are described under Annex I.

The legislation requires neither certificates nor declarations, reports or markings. The principle of the presumption of conformity is valid.

i.V.

W. Schneider
